(b) provision of unlimited or unspecified quantities of alcohol free or for a fixed or discounted fee to the public or to a group defined by a particular characteristic (other than any promotion or discount available to an individual in respect of alcohol for consumption at a table meal, as defined in section 159 of the Act);

Annex 2 - Conditions consistent with the operating Schedule

P Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e) (please read guidance note 9)

The premises has an existing Premises Licence and a Public Entertainment Licence. Alcohol is currently served for various appropriate events under cover of Temporary Events Notices. The number of these TEN notices now makes it advisable to provide alcohol under the Premises Licence. Access is through the main front door with fire exits as described in the plan. All events are properly supervised and controlled. Drunken and disorderly behaviour and the misuse of drugs is strictly prohibited and those found to be in breach are reported to the police, if appropriate, and asked to leave the premises immediately.

b) The prevention of crime and disorder

Customers leaving the premises during the evening and night are reminded to leave quietly and in an orderly fashion. Children are welcomed on the premises for appropriate events but at no time are they allowed to approach the bar. Bar staff are suitably trained in checking for ID, and suitable written proof of age is required from anyone who appears under 18 attempting to purchase alcohol. Regular glass and bottle collections are undertaken whilst the public are admitted to the premises. Patrons are not allowed to leave the confines of the premises with any glass or bottles owned by the premises.

c) Public safety

Cold water is available free of charge at the bar. Exit routes are kept clear at all times and gangways, corridors and spaces between tables are kept clear. The premises is adequately illuminated but in the event of a power failure or emergency, emergency lighting powered by a backup battery will turn on - this is checked regularly. Fire extinguishers are checked every year before the start of the season. An NICIEC electrical certificate is in force. Public Liability Insurance is in force and we will advise our insurers of the new Operating Schedule.

d) The prevention of public nuisance

Volume of any recorded music played by the disco and resident entertainer is kept under proper control by the management. Deliveries of food and alcohol takes place always during the day, usually in the morning, however during vacation periods e.g. summer holidays, deliveries sometimes take place in the afternoon. Refuse bins for the premises are kept at the side of the premises, out of the way of the public.

e) The protection of children from harm

Under age drinking is not permitted. Suitable written proof of age is required from anyone who appears under 18 attempting to purchase alcohol. Children are not allowed at the bar at any time unless supervised by an adult. All staff are trained to check for suitable ID.
