## **Annex 1 - Mandatory conditions**

### **Mandatory conditions where licence authorises supply of alcohol**

- (1) No supply of alcohol may be made under the premises licence—
  - (a) at a time when there is no designated premises supervisor in respect of the premises licence, or
  - (b) at a time when the designated premises supervisor does not hold a personal licence or his personal licence is suspended.
- (2) Every supply of alcohol under the premises licence must be made or authorised by a person who holds a personal licence.

### **Mandatory condition where the premises licence includes a Condition that at specified times one or more individuals must be at the premises to carry out a security activity:**

- (1) Each such individual must be licensed by the Security Industry Authority.
- (2) But nothing in (1) above requires such a condition to be imposed—
  - (a) in respect of premises within paragraph 8(3)(a) of Schedule 2 to the Private Security Industry Act 2001 (c. 12) (premises with premises licences authorising plays or films), or
  - (b) in respect of premises in relation to—
    - (i) any occasion mentioned in paragraph 8(3)(b) or (c) of that Schedule (premises being used exclusively by club with club premises certificate, under a temporary event notice authorising plays or films or under a gaming licence), or
    - (ii) any occasion within paragraph 8(3)(d) of that Schedule (occasions prescribed by regulations under that Act).
- (3) For the purposes of this section—
  - (a) “security activity” means an activity to which paragraph 2(1)(a) of that Schedule applies, and
  - (b) paragraph 8(5) of that Schedule (interpretation of references to an occasion) applies as it applies in relation to paragraph 8 of that Schedule.

## **Annex 2 - Conditions consistent with the operating Schedule**

### a) General – all four licensing objectives

We are applying for a late night licence whilst taking into account the need to consider points b, c, d, e the main issues of concern

CCTV and good health and safety standards mean we can provide a late night service without causing a public disturbance or endangering the general public

### b) The Prevention of Crime and Disorder

The prevention of crime and disorder is implemented by the use of our sophisticated CCTV equipment. All areas of the shop are visible on camera, therefore it is easy to identify any culprits / aid police.

### c) Public Safety

Our CCTV equipment is essential for public safety. CCTV to Dyfed Powys Police specification, inside and at least one camera outside the frontage of the premises, to be fitted in consultation with local police, ( within 3 months of the second appointed day).

Capacity limit of 25 persons in the shop area from 00.00 hours ( all days )  
One SIA Doorperson to regulate capacity , control door from 00.00 hours until closing time on Thursday, Friday, Saturday ( Thursdays SIA not required at all in July, August, September and from 0100 hours not midnight the rest of the year )  
We have re-inforced glass windows that do not shatter easily. We also adopt health and safety rules, including - cleaning any spillages and removing chairs at busy late night periods.

During premises opening hours shop frontage and street ( 20 yards in each direction) to be swept clean every 3 hours and at closing time

### d) The Prevention of Public Nuisance

The CCTV footage helps identify any persons causing a public disturbance.  
We actively encourage customers to leave quietly.  
The re-inforced glass prevents noise disturbance.

### e) The Protection of Children from Harm

High health and safety standards prevent children from harm.  
CCTV footage again is essential, as is our personal commitment to prevent our customers from coming to harm on / surrounding our premises.
