

Ceredigion County Council ECO4 Flexible Eligibility Statement of Intent

Local Authority name: Ceredigion County Council

Publication Date: 01/10/2022

Version number: V 1.0

Publication on web site: <https://www.ceredigion.gov.uk/resident/housing/financial-assistance/energy-efficiency-schemes/eco-flexibility-funding/>

This statement sets out **Ceredigion County Council's** flexible eligibility criteria for the Energy Company Obligation (ECO4) scheme from April 2022 - March 2026.

The ECO4 scheme will focus on supporting low income and vulnerable households. The scheme will improve the least energy efficient homes helping to meet the Government's fuel poverty and net zero commitments.

The flexible approach for Local Authorities (LAs) to identifying fuel poor and vulnerable households who may benefit from heating and energy saving measures is referred to as "ECO4 Flex".

The Council welcomes the introduction of the ECO4 Flex eligibility routes as it helps the Council achieve its plans to improve the homes of those in fuel poverty or vulnerable to the cold.

Ceredigion County Council's Housing Energy Efficiency Team manage a framework of approved ECO4 installers, allowing installers to make direct referrals into the scheme for eligibility checks and the signing of declarations (where qualifying). The team do not accept referrals from lead generators or third parties that are not on our approved framework and not accredited to undertake ECO4 works themselves.

The Council is publishing this Statement of Intent (SoI) on the 01/10/2022 to confirm that each of the households declared will adhere to at least one of the three available routes outlined below:

Route 1: SAP bands D-G households with an income less than £31,000. This cap applies irrespective of the property size, composition, or region.

Route 2: SAP bands E-G households that meet a combination of two of the following proxies:

Proxy 1) Homes in Welsh provision LSOA 1-3 on the Welsh Index of Multiple Deprivation 2019.¹

Proxy 2) Householders receiving a Council Tax rebate (rebates based on low income only, excludes single person rebates).

Proxy 3) Householders vulnerable to living in a cold home as identified in the National Institute for Health and Care Excellence (NICE) Guidance. Only one from the list can be used, excludes the proxy 'low income'.

Proxy 4) A householder receiving free school meals due to low-income.

Proxy 5) A householder supported by a LA run scheme, that has been named and described by the LA as supporting low income and vulnerable households for the purposes of NICE Guideline.

Proxy 6) A household referred to the LA for support by their energy supplier or Citizen's Advice because they have been identified as struggling to pay their electricity and gas bills.

*** Note proxies 1 and 3 cannot be used together.**

Route 3: SAP bands D-G households that have been identified by their doctor or GP as low-income and vulnerable, with an occupant whose health conditions may be impacted further by living in a cold home. These health conditions may be cardiovascular, respiratory, immunosuppressed, or limited mobility related.

This is because the Council has identified a positive correlation between households who suffer from long-term health conditions and living off a low-income, with living in poorly insulated homes.

Declaration and evidence check confirmation

All potentially eligible households should apply through Ceredigion County Council or through one of Ceredigion County Council's approved ECO 4 installers to ensure that they can either benefit from the scheme or be assessed for eligibility under any other relevant programme (for example, Warm Homes Fund).

The officer below will be responsible for checking and verifying declarations and associated evidence submitted on behalf of the local authority:

Name: Gareth Payne

Job Title: Housing Adaptations and Energy Efficiency Officer

Telephone: 01545 572167

Email: garethp@ceredigion.gov.uk

CEO or dedicated responsible person mandatory signature

Ceredigion County Council will administer the scheme according to BEIS' ECO4 Order and will identify eligible households via Ofgem's application process. The CEO of the Council will oversee the process of identifying eligible households under ECO4 Flex.

The eligibility information will be stored securely in line with the Council's data protection policy, Information Commissioner's Office Data Sharing Code, and BEIS guidance.

Signature: 

Name: Eifion Evans

Job Title: CEO/ dedicated responsible person

Date of signature: 14/09/2022
