

# Calm Waters

**Ceredigion County Council's harbours at Aberaeron, Aberystwyth and New Quay are fantastic resources and attractions in their own right. To ensure *calm waters* at the harbours so they remain safe, enjoyable and attractive for all we are reminding harbour users of a few key things they need to be aware of and do.**

## **Please:**

1. Always be considerate and respectful of all other harbour users and the general public.
2. Always be considerate, respectful of and value the local wildlife.
3. Make sure that your equipment is well maintained, in good condition and suitable for use. This includes floating ropes and anchors. These should all be checked regularly.
4. Deal with all of your waste legally and responsibly. This includes and extends from spent fishing equipment to waste oil.
5. Store all equipment safely and in an appropriate place. This includes tenders, buoys, pots and other fishing equipment.
6. Do not cause an obstruction or nuisance either on the wet or dry sides of the harbours. In any emergency, maintaining good access could be critical. Park vehicles in accordance with the arrangements in place and provision made.
7. Respond positively to any advice or instruction issued by any of the Harbours' staff.
8. Raise any issues, concerns or suggestions you may have with the Harbours' staff at the earliest opportunity. This includes reporting any faults or damage that you may become aware of within the harbours.
9. Contact 999 in any kind of emergency.
